“A government is not going to create an economy, but we should be able to create an atmosphere that is conducive to creating opportunities.”

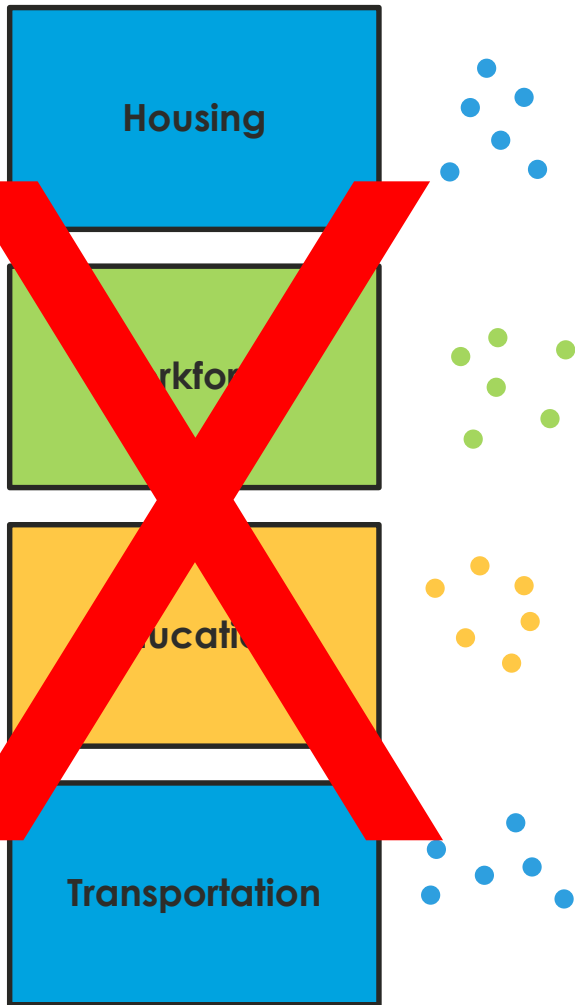

- *Greg Fischer, Mayor of Louisville*

- Celebrated successes
- Enjoyed keynote remarks from R.T. Rybak
- Established common understanding of the actions Live, Learn, Earn is poised to advance
- Identified action(s) members will support over the next 6-12 months
- Realigned LLE by action rather than system

Live Learn Earn

Realign: Launch focused action teams; suspend broad work groups

- Establish a post-secondary presence in Scott County
- Develop and launch a website promoting job opportunities in Scott County
- Engage in community conversations to build awareness about life-cycle housing
- Engage partners (cities, developers, funders, etc.) to identify and advance life-cycle housing projects
- Build early childhood network promoting awareness and developing an early learning campaign
- Expand car repair program building on FISH partner network
