

Solid Waste Management Update

Kate Sedlacek, Scott County Environmental Services

Steve Albrecht, Shakopee Mdewakanton Sioux Community- Organic Recycling Facility

Thad Hellman, Shakopee Mdewakanton Sioux Community- Organic Recycling Facility

Mark Pahl, Dem-Con Companies

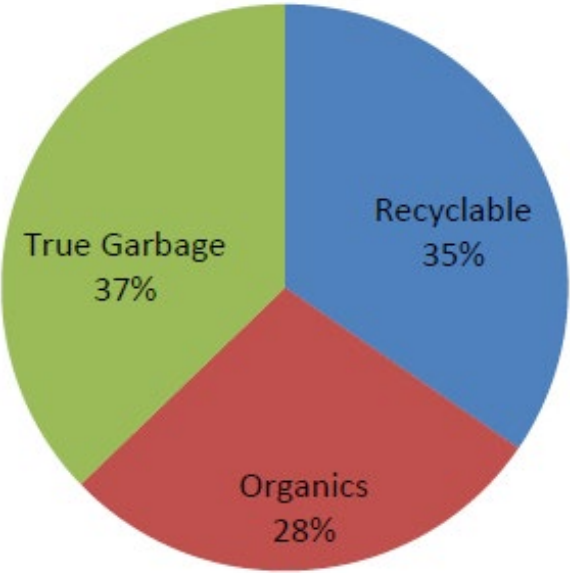

MPCA Metro Solid Waste Policy Plan

Key Challenges for the State

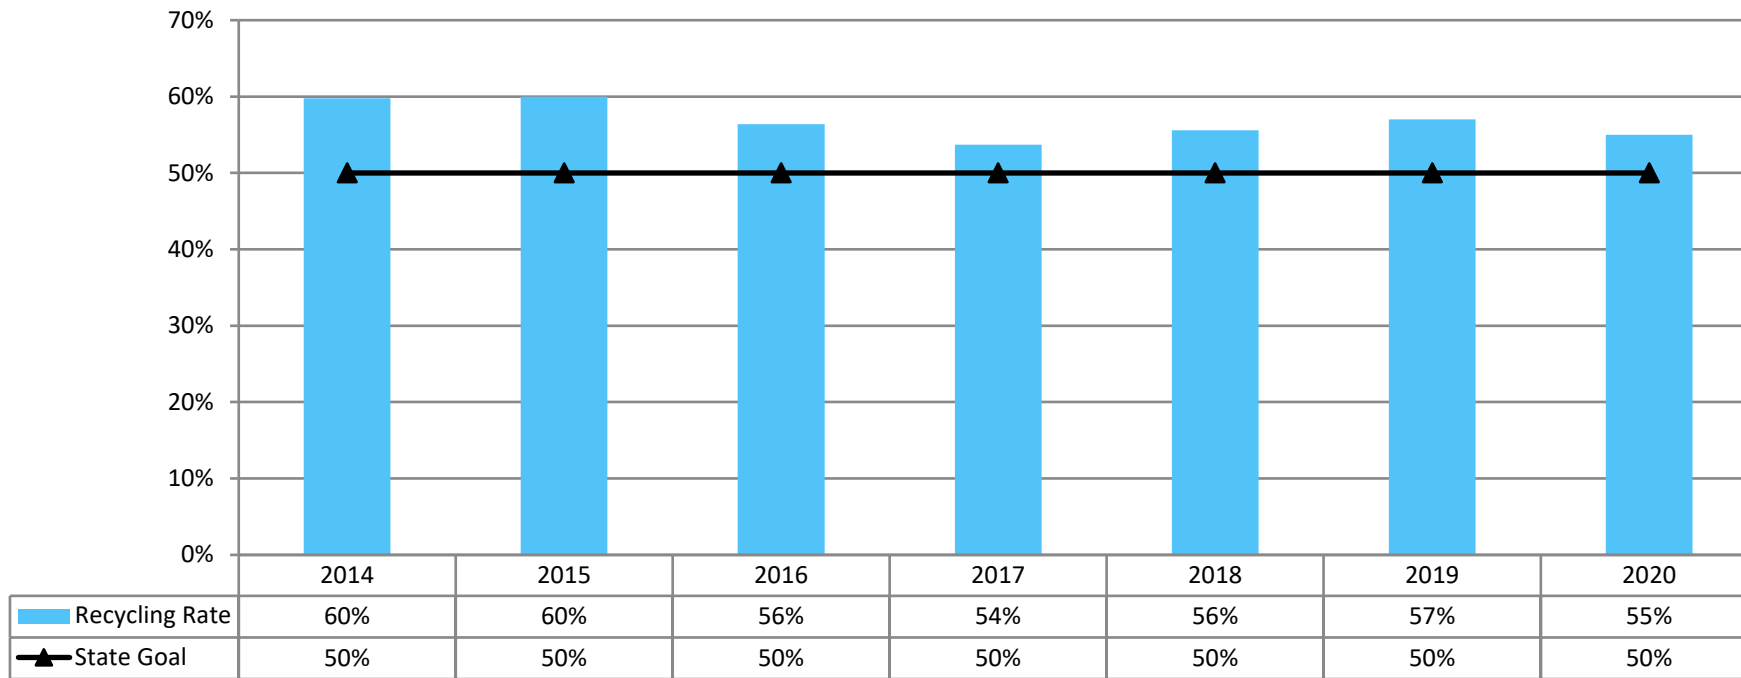

- Metro solid waste generation continues to grow
- Traditional recycling has slightly decreased
- The Legislature established a 75% Recycling (traditional and organics) collection goal by 2030 for the metro

MPCA Metro Solid Waste Policy Plan

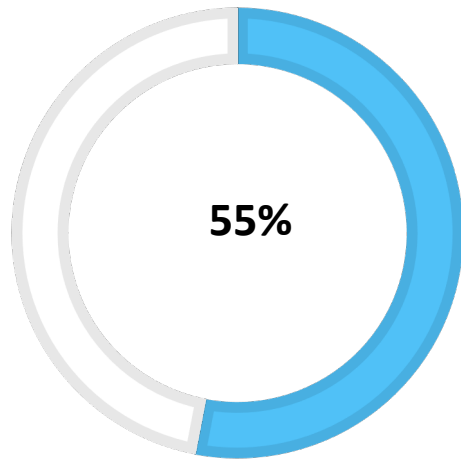

Achieving a 75% recycling rate is challenging but possible

County Solid Waste Plan 2018

Organic Management Strategies

1. Haulers to offer their residential customers an organics option by 2020.
2. Make residential curbside organics collection available County-wide by 2025.
3. Require large generators collect organic material by 2022.
