iWMS Approach

What We Know Works

Hire, Train, and Launch:

- Hire quality talent
- Focus local talent and pay good wages
- Invest heavily on training.
- “Ask questions” – Understand and execute
- Set expectations = “Say what you do and do what you say”
- Understand that “The show must go on”. We have deliverables and excellence is NOT an accident.

Our Aim:

To create work-life balance for every team member in this remote environment.

- Recruit & Invest locally (Scott County, MN)
- Work with “non 4 year college” individuals.
- Provide high paying careers (~ \$60K/year)
